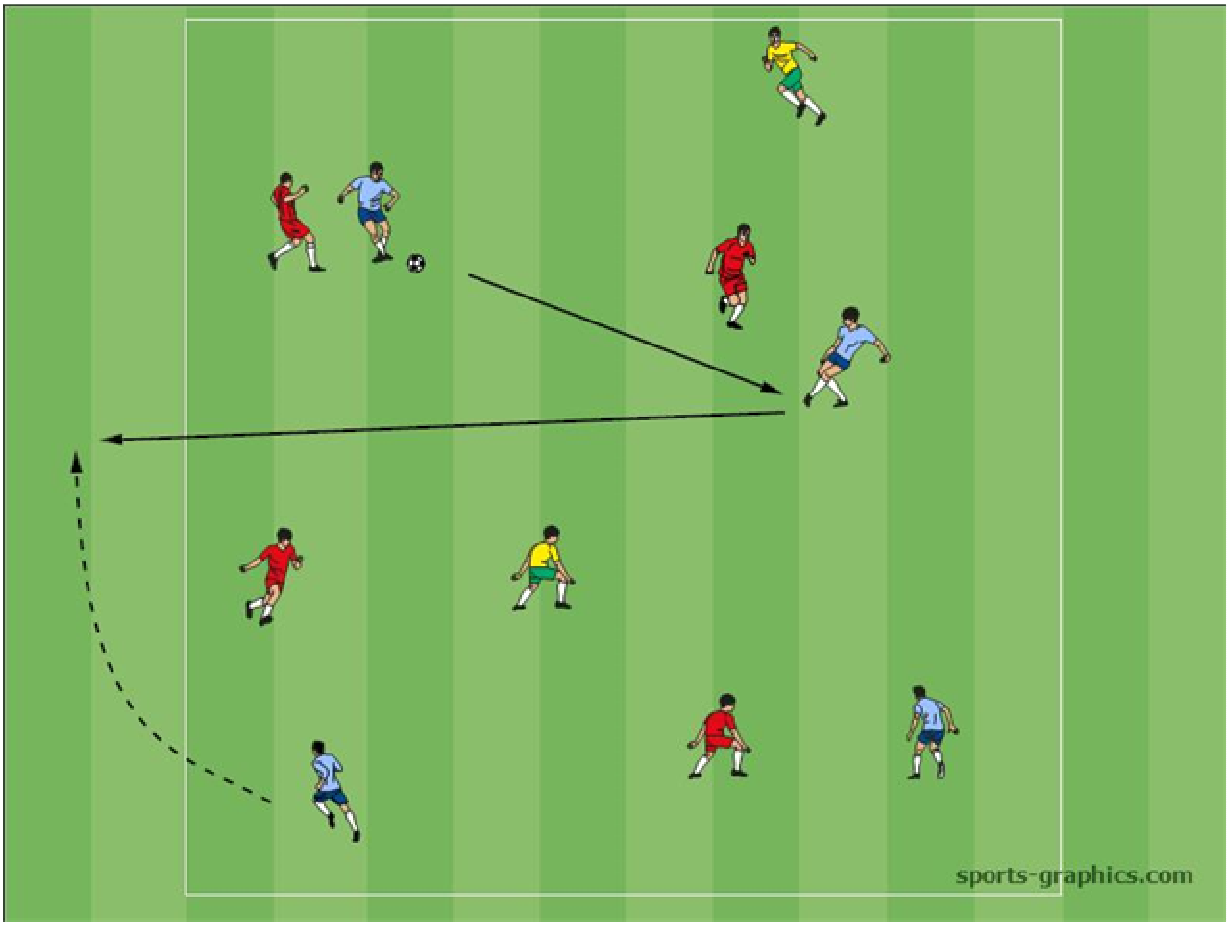
4V4+2 End Zone Game


Setup: 30X30 yard area. 2 teams of 3 or 4, with 2 all time offense players. Instructions: Each team defends one end and attacks the other. Players possess the ball and combine to pass to a team mate running into the end zone. Play starts with a pass from the back line. Switch neutral players. Coaching Points: Look to combine with give-&-gos, overlaps, 3rd man running, and through balls. Diagonal runs: use straight through passes. Straight runs: use diagonal passes. Be aware what the defender is taking away and what he is giving you. Take what he gives you.
