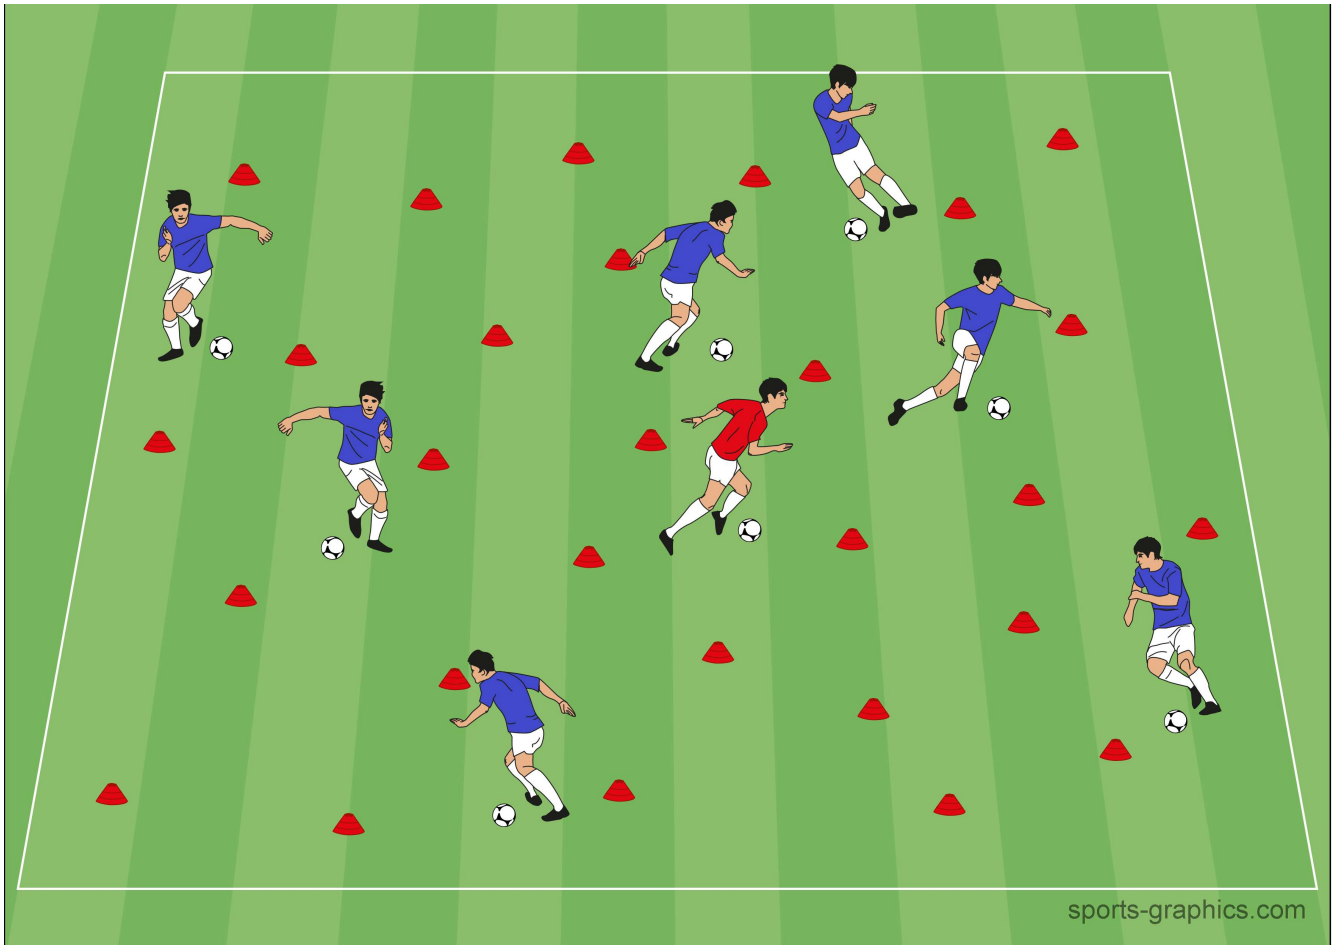
Dribbling Minefield - Tag Game



SETUP: 10x10 yard square, with at least 30 cones randomly placed.
INSTRUCTIONS: Each player has a ball. One player wears a different color and is "it", also dribbling a ball. Whoever is "it" must try to tag each of the other dribblers with a touch to the shoulder. When you are tagged you must "freeze" in place. Team mates can unfreeze you by tagging you. Play 2 or 3 minutes, and switch the "it" player. See who can freeze more players. Variation: two "it" players.
COACHING POINTS: Quick feet, soft touches on the ball. Keep the ball close to your feet at all times. Use the shoe laces when dribbling forward, and use the inside and outside of the foot to change direction, as well as the sole of the foot. High frequency of touches is the main habit we want to produce here.
