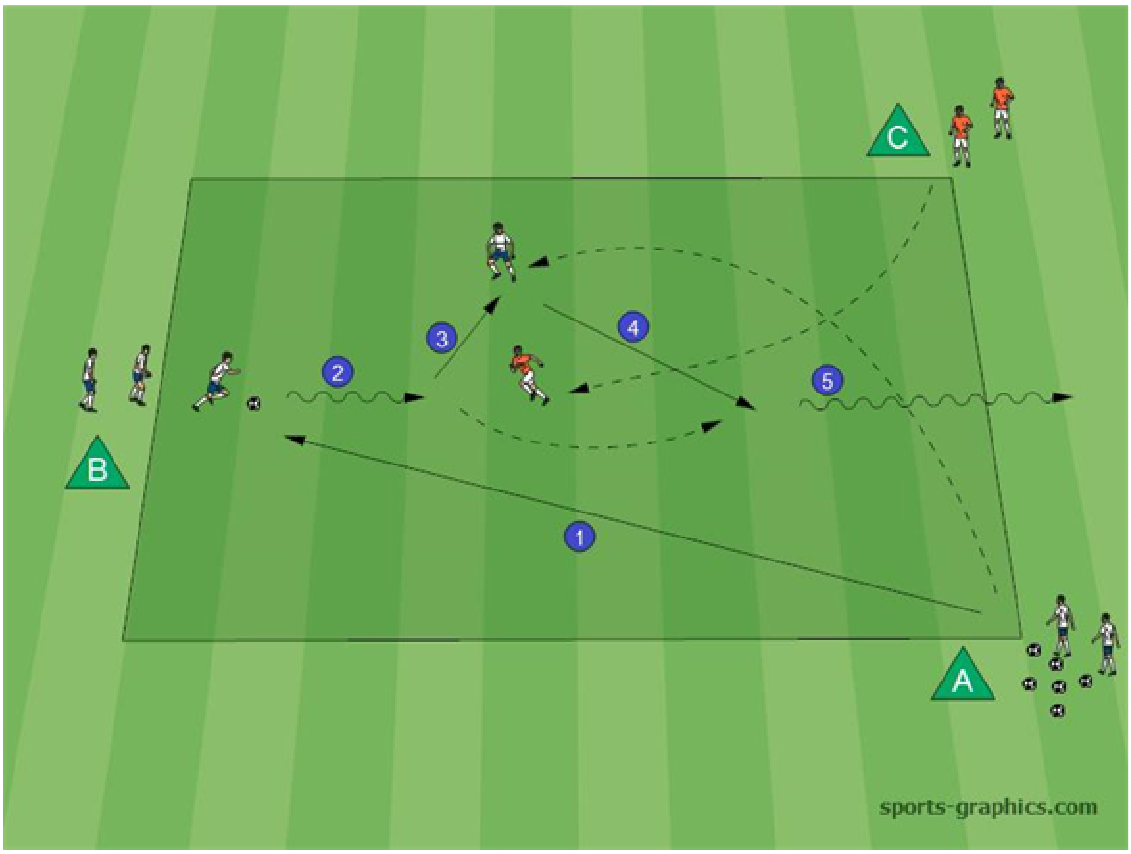
Give-&-Go - 2V1


Setup: 15X20 yard area. Three lines.
Instructions: A passes to B and runs to support at 45 degree angle. C defends the end line. A and B combine to beat C to end line. C counters at opposite end line.
Coaching Points: Firm passes to the feet. Dribbler must dribble directly forward and make the defender commit to him. Pass to feet and accelerate. Return pass should be one touch into space. Both players must overlap. If defender takes away the pass dribble through. Be aware what the defender is taking away and what he is giving you. Take what he gives you. Quick decisions. Timing and angle of passes.
