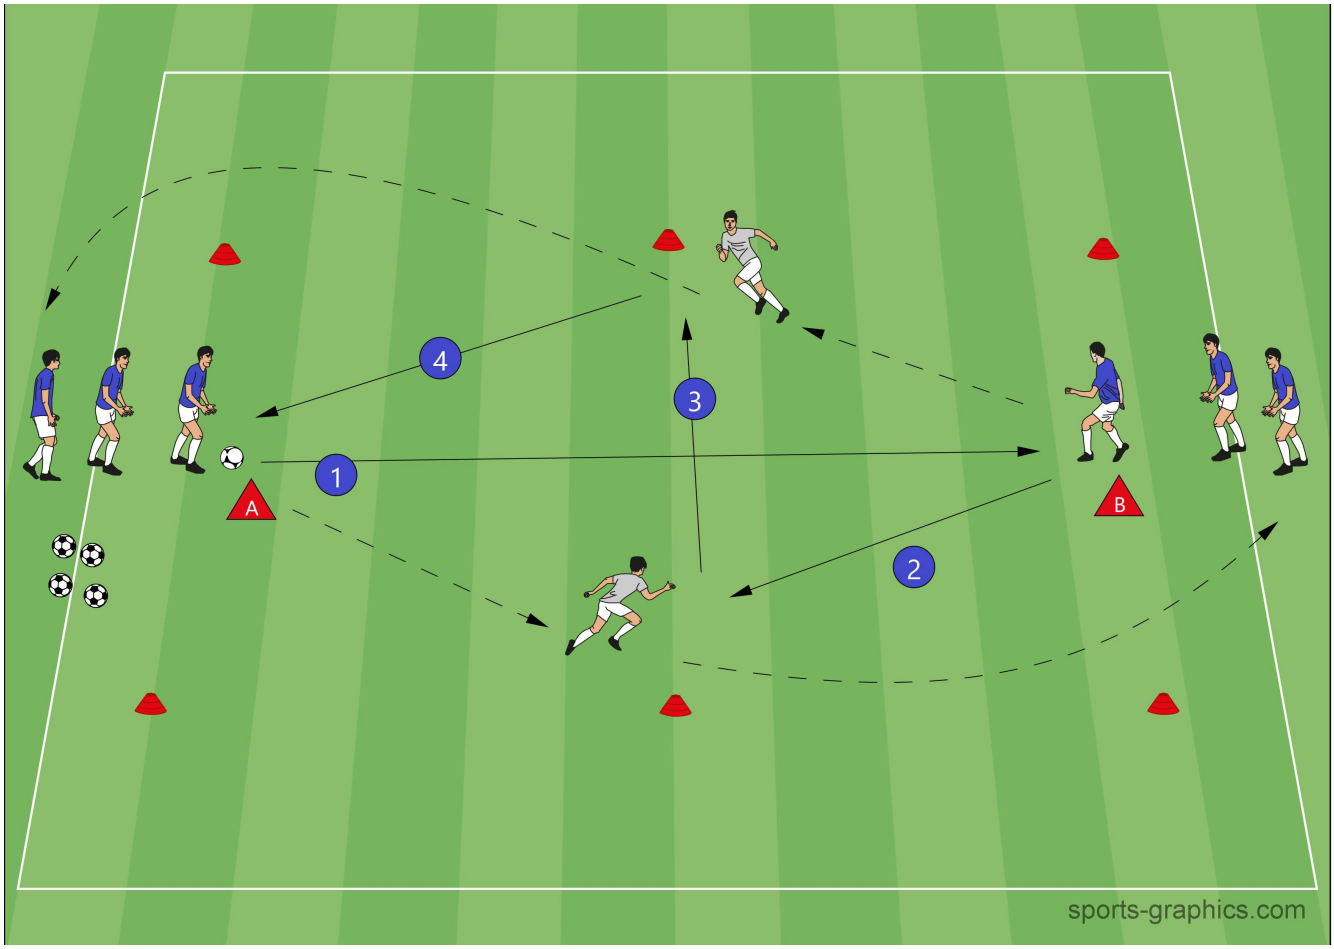
Passing & Receiving Warmup 2



SETUP: 10x20 yard area. Two lines of players at opposite ends. One ball.
INSTRUCTIONS: Player A passes to player B and runs to the cone on the right. Player B returns the pass to player A and runs to the cone to his right. A passes back to B. B then passes to the starting point. A and B go to the back of the opposite lines. Variation 1: 2 touches. Variation 2: one touch. After a few rounds players pass and go to their left.
COACHING POINTS: Pass with the side of the heel, with toes pointing up. Stroke through the ball and swing the leg up in the direction of the target. Firm passes on the ground - no weak passes! Soft and short first touch. Passes must be accurate, to the feet. Spring to the back of the line.
